St Ann's Degree College for Women Mallapur, Hyderabad, has been providing quality and holistic education since the year 1998. The institute provides excellent learning facilities in a competitive and collaborative learning environment to help students make a mark for themselves in the corporate world. Run by the Society of the Sisters of St. Ann of Providence - a name that has been associated with excellence in education for many decades - imparting value-based and holistic education for women. The College is situated in a vibrant lush green pollution-free environment, carefully cultivated gardens, on a 10 acre serene campus with excellent infrastructure, the entire campus is WI-FI enabled. The college is just 4 KM away from Habsiguda X Roads.

The faculty is highly qualified and experienced in their respective fields. They provide a safe, supportive environment with a variety of educational opportunities to empower each student to become a self assured, responsible and economically productive citizen through their innovative teaching.

The classrooms are spacious and well-furnished with good ventilation. The eco-friendly surrounding of the campus is well-decked with trees and plants that keep the classrooms cool with fresh air.

Computer labs in the college are not just a room of computers; they connect teachers and students to the best digital tools. The College has separate computer labs for various streams of study. We have a 1:1 student-computer ratio.

The college has a well-stocked library with books ranging from novels, general knowledge, text books, reference books to newspapers, periodicals, magazines etc. The library has 3477 reference books and more will be added each year.

**We are what we repeatedly do. Excellence, then, is not an act but a habit.**

**CO-CURRICULAR and CULTURAL ACTIVITIES** are conducted regularly to encourage student-participation for their holistic development.

The **SOCIAL SERVICE GROUP, 'CARLO CLUB'** organizes various fund-raising events to help the under privileged of society. Visits to humanitarian homes have helped to deepen the concern and compassion of the students.

The Award ceremony is organized every year to recognise and appreciate the academic performance, talents and potentials of our students.

The Campus Placement drive is conducted to help the students equip themselves with the recent interview techniques and find themselves a suitable niche in the corporate world.
