Discovering & Nurturing Hidden Potentials
For an empowered future

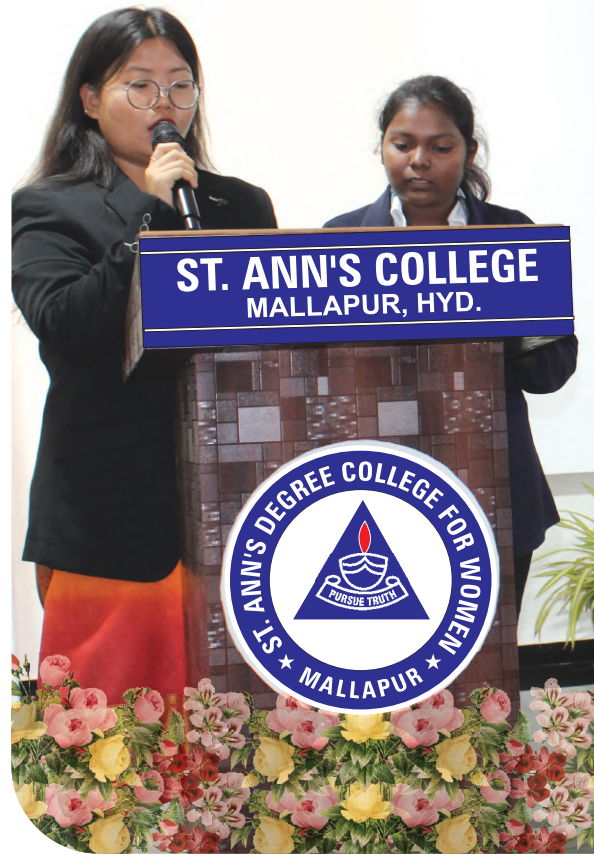

VISSION

To provide integral, value based and quality oriented Higher Education that transforms and empowers young Annites into competent personalities, morally upright, emotionally balanced, and socially responsible.

MISSION

St. Ann's College is committed to:

- Provide integral, value based, and quality oriented Higher Education to young Annites which leads to holistic growth and development
- Empower young Annites, moulding them into competent individuals who are committed to their personal and professional endeavors
- Ensure commitment and pursuit of excellence in the Staff.
- Espouse to become instruments of Providence and signs of Hope to the less privileged through its educative mission, fostering integral and professional growth of young Annites.

- Lay foundation of an education system that strives toward continuous innovation, initiation, modernization and development
- Encourage young Annites to have the vision, courage and dedication in order to become catalysts for change.

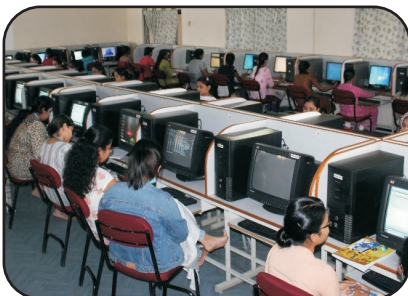

St. Ann's Campus

A vibrant lush green pollution free campus with carefully cultivated gardens providing a serene ambience for learning with excellent infrastructure.

Highly qualified, experienced and dedicated faculty, who apart from imparting knowledge play the role of a Parent and Guru, through the transformation process.

St. Ann's provides rigorous academic inputs to develop learning skills, in well furnished classrooms with electronic teaching aids

Sports Club

Social Media Committee

Annite Readers' Club

Innovation & Entrepreneurship Cell

CONTINUOUS COMPREHENSIVE EVALUATION

Students progress is monitored through Unit-wise Online Tests, Internal Assessments and Regular Assignments. The Bloom's Taxonomy is adopted to ensure higher order thought in students. The fast learners and slow learners are identified, fast learners are encouraged to take up value added certificate courses and slow learners are enrolled in Taarana Classes.

MOOCs

It is mandatory for fast learners to complete atleast one online certificate course on the SWAYAM portal which adds value to the curriculum and their profile.

DIGITAL LIBRARY

The digitised library provides faculty and students easy access to e-material through DELNET and NLIST and faster, organised, efficient library services.

BRIDGE COURSE

Bridge Courses are conducted for students enrolled in those courses for which they have no basic or prior knowledge acquired at the intermediate level.

TAARANA CLASSES

Remedial classes are conducted for slow learners to help improve their understanding of specific subjects.

LEARNING MANAGEMENT SYSTEM (LMS)

The Learning Management Systems – Google Classroom, Edmodo, Reference Globe used by teachers and students alike, gives easy access to online attendance, study material, tests and assignments.

Webinars

Guest Lectures

Seminars

Workshops

Varaiious Webinars
&
Seminars ,
workshops, Guest
lectures were
organized during
the academic year

SPORTS CLUB

To promote mental and physical well being of students the college provides indoor and outdoor Sports facilities. It has play grounds for Cricket, Kho-Kho , Kabadi , Badminton etc.

TRAINING AND PLACEMENT

The placement record is improving year by year. Students are made Industry ready through training programmes and our Collaboration with (TASK) Telangana Academy for Skill and Development.

INDUSTRIAL VISITS AND INTERNSHIPS

The gap between campus and corporate is bridged by taking the students to various Industries. Internships in various companies enables them to gain hands-on- experience.

MENTORING

Every student is assigned a Teacher Mentor who monitors, guides, directs students and also records their progress in the Mentorship Register.

PARENT-TEACHER-STUDENT ASSOCIATION (PTSA)

Parents of students are invited on two specific days during the semester to meet the teachers and discuss progress and specific concerns of their wards. Mentorship Registers are used as a basis for keeping the Parents informed of wards' progress in academics and participation in College activities.

ANTI RAGGING CELL (ARC)

We proudly claim that our college is Ragging Free but to ensure that the culture of togetherness is continued the Anti-ragging cell promotes friendly approach of seniors to juniors.

WOMEN PROTECTION CELL (WPC)

WPC with registered SHE teams helps Annites face societal issues of discrimination, harassments and eve teasing.
