About Us

St. Ann's Degree & P.G. College for women is a Christian Minority Institution established in the year 1998; it is located at Mallapur on Hubsiguda-NFC road on a 10-acre lush green pollution-free serene campus. The College is run by the Congregation of the Sisters of St. Ann of Providence, a name that has been associated with excellence in education for many decades. It has a number of Educational Institutions at different levels, imparting quality education to lakhs of students throughout India. The College provides professional education in the areas of Commerce, Computer Science at UG level & Management at PG level.

St. Ann's College aims at providing an all-round integral education with special emphasis on the Gospel values of TRUTH, LOVE, & JUSTICE. Though a minority institution meant primarily for Catholics, it admits all without discrimination of caste, creed or language. It reserves for itself its inherent and Constitutional rights [Art, 30{1}] with regard to the Management and Administration.

VISION

It is committed to providing value-based, skill-oriented, Management Education that transforms and empowers lives into competent personalities, socially responsible, morally upright and emotionally balanced.

MISSION

St. Ann's is committed to empowering women professionally and technically, molding them into capable persons who are committed to their personal and professional endeavors and who have the vision, courage and dedication to initiate and manage change.

PRINCIPAL'S DESK

I am glad to congratulate the Editorial board, who have put their effort in bringing out this 5th issue of the Newsletter “*St. Ann's Rays*” and now it is renamed “*Annite Rays*”.

I am sure that this Newsletter will definitely convey the message to all readers the number of Activities conducted and Events organized to unfold and unravel the inner talents and abilities of our Students and recognize their achievements. It also appreciates the great endeavors of our Staff members, which includes publishing and presenting research papers in National and International Conferences.

SR. EMMY GRACY

We are fortunate to have vibrant Students and Faculty support to transform innovative ideas into reality. The purpose for publishing e-newsletter is to broadcast the Initiatives and Developments of the College, Achievements of the Staff, Students and Alumni, Events organized, Participation of Students in various competitions and prizes won and Faculty endeavors. Thus this volume of the newsletter provides a forum for the recognition of hidden potentials and talents of Faculty and Students and their creative achievements.

This amazing success was possible due to unstinted support and continued patronage by the Management, Staff and Proactive students.

Inter-College Fests usually provide an excellent platform to showcase all kinds of different talents. The various activities were organized according to the field of interest including concerts, Drama, short-film, Debates, Paper presentations, ad-making, fireless cooking and entrepreneurial games.

College festivals prepare the ground for students to shed their individual selves and take up responsibilities as team players. They run from pillar to post managing sponsorships, structuring, planning and executing events. The fests thus, we believe, immensely develop their personalities and attitudes. Approximately 50 colleges were invited for the Event.

ORIENTATION PROGRAMME

Student orientation program serves Students in different areas like physical transition, social interaction and academic preparation of students. During orientation, students were made aware of opportunities to be integrated about college culture awareness of discipline, punctuality, regularity. The second aspect of the role of orientation is acclimatizing students to the new environment socially, by conducting games, concerts, and ice-breaking sessions. The Orientation program is designed to answer questions before they are asked and to provide solutions before problems occur.

The Orientation Programme was organized by the Degree (B.COM, B.SC) and MBA Departments on 15 July and 28 August, 2017 respectively.

- St. Ann's Feast on 25 July, 2017
- Friendship Day on 5 August, 2017

- International Women's Day on 8 March, 2018

College Celebrations

Our college has beloved traditions that students have kept alive through the years. Students look forward to these celebrations and events, whatever they may be, with excitement and gleeful anticipation. The College campus is rich with traditions that have simply been passed down through generations of Alumni. The following are a few College campus traditions which truly add to the excitement of student life.

In-House Competitions

Students don't want just to be bookworms; they look for other options that could help them to build their future. Co-curricular and Extra-curricular activities play a vital role in the life of students; read on to know how. Extracurricular activities teach students how to work for a common goal and this ultimately develops a sense of responsibility in them. It increases their level of self-confidence and also teaches them how to cooperate and work with people in different conditions. While pursuing these activities in College along with Academics students learn

prioritization and time management skills too. Some of the competitions held to promote these skills were **Business Plan, Ad-Mad, Singing, Solo, Duet and Group dance, Painting, Collage making, Google doodle, Innovision, Theme based Rangoli etc,**

Guest Lectures and Seminars

We invite eminent personalities from various Industries and Institutions to lend valuable Information from their experiences to our students. Guest Speakers expose students to real world life experiences and Students get better insights and are helped to look from different

Dr. Naveen Kumar dealt with 'Statistics Applications in real life'

Dr. K. Geetha explained 'Esthetic application of Mathematics in life'.

perspectives as the guest speakers convey their message from their particular field of interest. Subject related Seminars and Guest lecturers were also conducted for the benefit of the students.

Placement and Training

The Placement Cell organizes career guidance programs for all the students, starting from First Year. The cell arranges training programs like Mock Interviews, Group Discussions, and Communication Skills Workshop etc. It also invites HR Managers from different industries to conduct training programs for Final Year students.

Soft skills' training was conducted by the pioneers in the education industry in collaboration of "TASK". 40 hours of training program was conducted for MBA Students, with 6 online assessments have prepared the students to face the competitive world. The placement cell coordinators for P.G. are Mrs. Lavanya and Ms. Ashwini and for U.G., Mrs Hemalatha, Mrs. Sunitha and John Paul. They have worked effortlessly to place students in reputed companies.

Mrs. Hemalatha of B.Sc Department had initiated a Course, 'JAVA Programming' for B.Sc and B.Com students and this was the first batch of students who were certified successfully by Oracle Institute.

Club Activities

INDUSTRIAL VISITS, TOUR AND PICNIC

Our institute is largely adopting Industrial visits as a value-added learning method for both, Management and Degree Students.

- Industry visits bridge the gap between theoretical training and practical learning in a real-life environment. Industry visits provide opportunity for active/interactive learning experiences in-class as well as outside the classroom environment.
- The recent industrial visits were to PARLE-G, ZINDA TILISMATH, MASQATI dairy farm, NIN, INFOSYS(for Degree Students)
- The Recent Industrial Tour was to Kerala the 7 days trip with 72 students was indeed a great industrial exposure for our MBA Students, that they found educative, insightful and equally enjoyable.
- To refresh and renew from the daily routine, One day outing to 'Wonderla' was organized for our Degree Students
