It is nice to find a great number of Students and Staff participating in Academic, Co-curricular and Extra-curricular activities, which certainly proves that they are adequately equipped and possess the necessary skill-sets to bring such laurels to the Institution. I wish that this number may grow enormously in the years to come.

I am sure that publishing a Newsletter of this sort containing the achievements of the Staff-members and wards will be a good boost to put in great effort and achieve greater success and I wish them all the very best for future endeavors.
