ORIENTATION PROGRAM - 2019

The Orientation program was organized for UG I semester students on July 7, 2019 and for MBA on Sept 5, 2019. The Management, Staff and Students warmly welcomed the newcomers to the campus. They were apprised of the curriculum, rules and regulations. The seniors presented a video of Annite Diary 18-19 and a power point presentation of regular college activities. The dance, skit, game and tour of campus organised by them as part of the programme introduced the Fresher's to the culture and environment of St. Ann's.

MEGA EVENTS OF 2019-20

INTER-COLLEGIATE WORKSHOP - 2019

The Department of Commerce organized One day Inter-collegiate workshop on "**Advance Learning in Commerce**" which was held in collaboration with ISFS (International School for Financial Studies) on 17.09.2019. The objective of the event was to create awareness on recent developments in Commerce. The formal session was inaugurated by chief guest Prof. Prashanta Athma Head,

Department of Commerce, Osmania University. The Staff welcomed the speakers who gave deep insight into the topics of the day. In the first technical session, the speaker **Mr. Krishna Kuppachi CA**, spoke on "**Banking, Finance and Insurance**", in the second **Mr. Srinadh, CA** spoke on "**Taxation and Auditing**". The sessions were informative, interactive and activity based, thus enhancing students knowledge. Our B.Com III and 106 Students from 36 different Colleges and the B.Com III years participated in the workshop. Thanks to ISFS team and Department of Commerce for organizing this workshop.

ANNITE FIESTA - 2020

Annite Fiesta, the flagship one day event of our college is an intra co-curricular, cultural event which gives an opportunity to all our students irrespective of the field of study to take part in various competitions organised by the clubs of the college. It is a platform for students to showcase their talents and skills and at the same time to work and bond with fellow students and spread the spirit of team work and comradeship. Food stalls were set up by Carlo Club and E-cell. The interactions among students not only enhance interpersonal and communication skills but also prepare them to take up challenges of life ahead.

3) **Alumni association registration** a well-established and active association of Alumni is developed and registered, which provided tangible networking and lifelong learning opportunities for its members”. Alumni association members developed a Google form “**KYA-Know Your Alumna**” to support and maintain a network of former graduates who will, in turn, help the students with career counselling and opportunities.

4) E-Learning

The effect of the pandemic COVID-19 has also been felt very heavily in the education space, affecting the young learner's world over. Since all students were essentially confined to their homes, class room teaching shifted online to complete the academic year. Staff and Management adopted ways and means to take education online. Training sessions for teachers were organised to develop e-content by the IQAC of the college. Staff adapted and adopted new teaching methods keeping the interests of students uppermost in their mind. Classes were conducted on digital platforms and staff took up the initiative to attend a number of webinars and online FDPs.

5) CO-CURRICULAR ACTIVITIES:

The best aspect of Co-curricular activities of the college is that it becomes part of academics, and makes teaching and learning experience exciting for both students and teachers. Experiences of

Competitions

- PHOTOGRAPHY CONTEST
- POWER POINT
- PRESENTATIONS
- QUIZZES
- DEBATE
- ELOCUTION
- RECITATION
- CAROL SINGING COMPETITION
- STAR MAKING
- GROUP DANCE
- LOGO DESIGN MAKING

these activities positively impact students' emotional, intellectual, social, and inter-personal development. By working together with other individuals, students learn to negotiate, communicate, manage conflict, and lead others. We believe involvement in activities, competitions helps students mature socially by providing a setting for student interaction, relationship formation, and discussion. Working outside the classroom with diverse groups of individuals allows students to gain more self-confidence, autonomy, and appreciation for others. All Clubs activities

provide a golden opportunity to nurture self-development with fun based learning.
